

Derby Lane[™]

As we open the racing and poker room operations, the following orders will be executed and carried out until further noticed.

- All employees will have their temperature checked prior to clocking in for work by their department managers and security personal if needed. If an employee exhibits a temperature of 100.4 or higher the employee will be told to go home and not return without a doctor's note clearing them to return to work.
- Employees will wear a mask and protective gloves at all time while on company property.
- Poker dealers will be excused from wearing gloves during conduct of their duties but will have a container of hand sanitizer on their workstation.
- Any employee that exhibits signs or symptoms (coughing, chills, pain, weakness and or fatigue) of being ill will be referred to their manager for evaluation.
- Employees that refuse to cooperate with the above evaluation process will be told to report to Human Resources.

Patron evaluation procedures for Poker room

- All patrons, guest and vendors will have their temperature checked prior to being allowed to stay on property. Patrons that refuse this evaluation will be asked to leave property immediately. Security officers will be responsible for temperature checks at the card room entrance.
- All patrons, guest and vendors will be required to wear a mask and protective gloves while on property. If patrons need a mask, St Petersburg Kennel Club will provide them.
- Patrons, guests, and vendors that exhibit signs or symptoms (coughing, chills, pain, weakness and or fatigue) of being ill will be evaluated by a manager for evaluation of remaining on property.

Patron evaluation procedures for Open air areas (Main Line, Tarmac, Grandstand seating).

- All patrons, guests, and vendors will have their temperature checked prior to being allowed to stay on property. Patrons that refuse this evaluation will be asked to leave property immediately. Security will be responsible for temperature checks at the main gate area.
- Patrons, guests, and vendors that exhibit signs or symptoms (coughing, chills, pain, weakness and or fatigue) of being ill will be evaluated by a manager for evaluation of remaining on property.
- Masks are recommended, but not required in open areas, but will be required when they enter a building. Patrons will be provided with one if they do not have them.
